

EBSCOhost® 2.0

Quick Start

Creating a Basic Search

1. On the Basic Search Screen, enter your search terms in the **Find** field.
2. If you want to use any of the optional Limiters or Expanders, click the **Search Options** link.

You can use a specific **search mode**, such as “Find all of my search terms,” or “SmartText Searching”; apply **Limiters** such as Full Text or Publication type; or use search options that expand your search, such as “Apply related words.”

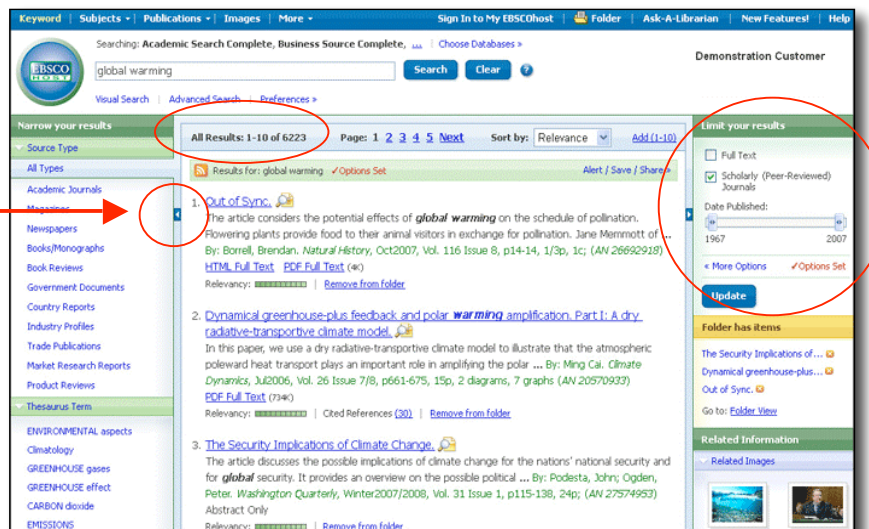

3. To close the **Search Options**, click the link again.
4. Click the **Search** button. The Result List displays.

Viewing Your Search Results

The Result List Screen has three columns

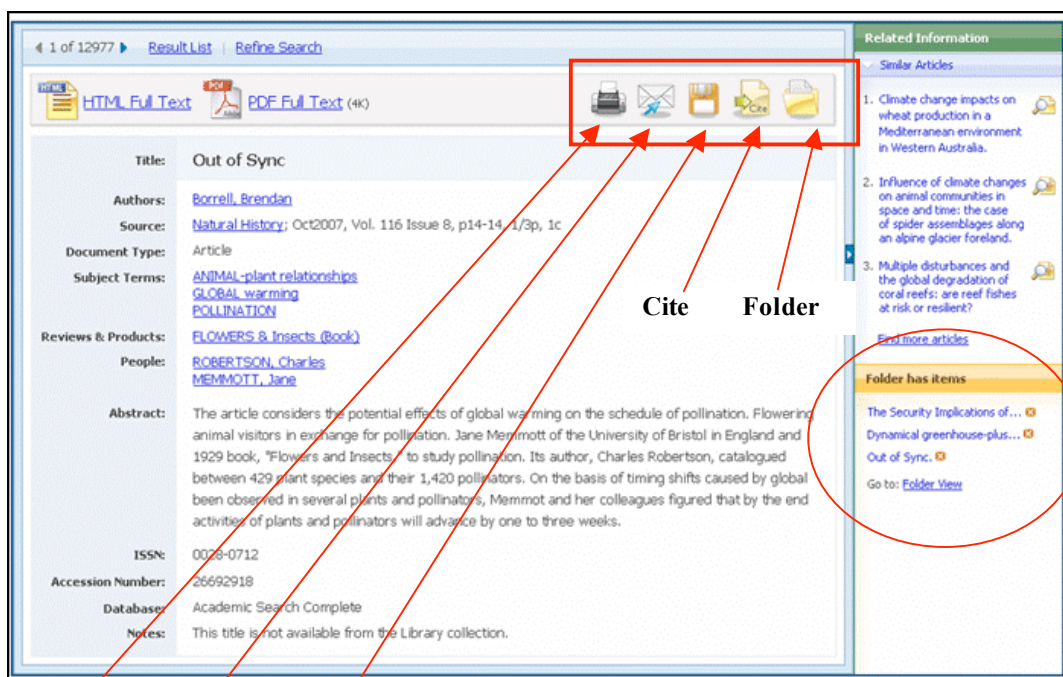

- Narrow your results
- All Results
- Limit your results

You can hide or show the different areas by clicking the control arrows near the top of your results.

- **All Results** – The articles that were found display in the center of the Result List Screen.
 - The **article title** link takes you to the citation information and/or the full text. Place your mouse over the **Preview** icon  to view the Abstract.
 - The **HTML Full Text** link takes you directly to the full text of the article.
 - The **PDF Full Text** link takes you to a PDF version of the full text. The PDF will open in the Adobe ® Reader®.
 - The **Relevancy** indicator  tells you how relevant the article is based on your search terms.
- **Narrow your results** – You can narrow by source type, subject, journal, author, and more
- **Limit your results** – Apply limiters right from the Result List. Select any of the limiters displayed and click **Update**. A revised Result List displays. (You can refine your search even more by clicking the **Search Options** link under Limit your results.)
- **Folder** – To save an article to the Folder, click the **Add to Folder** link to the right of the Relevancy indicator at the bottom of the result. To view the items in your Folder, click the **Go to Folder View** link.
- **Related Information** – When additional sources such as images, blogs, and Web news are available, they will be displayed.

Printing/E-mailing/Saving Search Results

- Click the **Print, E-mail, or Save icons** and follow the directions on screen to print, e-mail, or save your results. You can print, e-mail or save several results at the same time by saving them to the **Folder**, and then printing, e-mailing or saving all at once.
- Use the **Cite** icon to **view** your results in popular citation formats such as MLA and APA. Cut and paste your citations to your paper.
- To save your results, click on the **Folder** icon, notice the icon change, then select ([Sign In to My EBSCOhost](#)) link, to create a new account use the ([I'm a new user](#)) link on the green bar. Once you signed in, your results are saved to the **Folder**, and can be retrieved at any time. Within My EBSCOhost Folder, you can create subfolders for different research projects.
