

# Laulima – Quick Start

**ABOUT:** Laulima (Sakai) is the University of Hawaii's online Collaboration and Learning Environment. Laulima provides students with 24 hour accessibility to course content and communication tools for interaction with the instructor and other students within the course.

- Many courses will use Laulima as a supplement to the traditional face-to-face class.
- Online courses (WWW) will deliver all of the course material, testing, and communication within Laulima.
- Students can use Laulima as a tool regardless if the courses that they are taking are using Laulima or not such as storing your documents online.

**Supported Web Browsers:** Make sure your browser is fully compatible with Laulima. Mozilla Firefox 2.0 or newer seems to be most stable on all platforms.

## Macintosh

Mozilla Firefox 2.0 and Newer (**Recommended**)

Safari 2.0 (*may have some display problems*)

Safari 3.0 (*has not been fully tested*) is more stable than 2.0

## Two ways to get to Laulima Portal

- 1) Using a compatible browser, type in <https://laulima.hawaii.edu>
- 2) Laulima is available via the "**Quick Links**" pull down menu in **MYUH Portal**.

## Login to Laulima

In the upper right hand corner of the screen, enter your user id (UH username) and password. Click Login button

user id:	<input type="text"/>	password:	<input type="password"/>	<input type="button" value="Login"/>
----------	----------------------	-----------	--------------------------	--------------------------------------

This is the same username and password that you used to access Banner/MYUH and UH email.

## The Basics

After logging in, you will be taken to your **Home page/Workspace**. From here you will have access to all your classes that uses Laulima and the services available to you.

The "?" icon set to the right side of each title bar will bring up a help file associated with that window. You can also access the **Help** tool in the left tool bar of each page/site.
